BREAKING UPWhole Turkish Cabinet Re-  
signed To-day

## SULTAN'S FATE UNCERTAIN

Poll of Parliament To-day Showed a  
Unanimous Opinion in Favor of De-  
posing Him—His Palace Cap-  
tured Yesterday.

Constantinople, April 26.—Grand Vi-  
sier Tewfik Pasha handed to parliament  
today the resignation of himself and the  
cabinet. A poll which was taken in the  
parliament today showed the unani-  
mous opinion that the sultan's deposi-  
tion was absolutely necessary. The  
Young Turks are agreed that parliament  
shall decide Abdul's fate.

The Yildiz garrison surrendered yester-  
day to the constitutional forces. The  
commanders of these battalions began  
sending in their submission to Mahmoud  
Scheik Pasha Saturday night and the  
whole of the troops protecting the palace  
gave their formal and unconditional  
surrender shortly after dawn. Nizari  
Bey, who is called the hero of the July  
revolution, is now in command of the  
garrison.

Sultan Abdul Hamid has been per-  
mitted to remain within the walls of the  
Yildiz Kiosk, where Saturday, with his  
ministers, he awaited the outcome of  
the struggle between his loyal troops  
and the army of investment, each hour  
bringing to him word of a fresh disaster.  
It has been stated, since victory re-  
sulted with the constitutionalists, that  
the sultan himself gave orders to his men  
not to resist. Whether or not this is  
true, it can be safely said of the troops  
within the capital that they made a  
stubborn resistance at all points, and  
the casualties on both sides are ex-  
ceedingly heavy for the length of time  
the engagement was in progress.

FAR GREATER LOSS  
THAN FIRST SUPPOSED

Five Hundred People in One Province  
Were Killed in Friday's Earth-  
quake—Work of Rescue is  
Progressing.

Lisbon, April 26.—The indications are  
that the loss of life in Friday's earth-  
quake was much greater than first sup-  
posed. The death list in the province  
of Alente Jovide will reach five hun-  
dred. Thousands are homeless. Much  
anxiety is felt for the safety of King  
Mannuel. The Duke of Oporto is direct-  
ing the relief at Salvaterra at great  
risk. Carloads of provisions and medical  
supplies are pouring into the city.

## COUNTERFEITERS CAUGHT.

Had Thousands of Dollars of United  
States and Italian Counterfeits.

New York, April 26.—Thousands of  
dollars in counterfeit currency both of  
the United States and Italy were seized  
by police and secret service agents at  
New Rochelle yesterday in a house for-  
merly occupied by three alleged counter-  
feiters, who with a woman were arrested  
on Saturday. With the spurious money  
a complete currency counterfeiting out-  
fit was discovered, including presses,  
dies, engravers' stones and colored inks.  
The United States counterfeiters were  
all five dollar silver certificates bearing  
the Indian head, totalling about \$16,000.  
Its circulation in the neighborhood re-  
sulted in the investigation and arrests.  
The four prisoners were brought to  
New York yesterday. They are Dr.  
Joseph Fernandez, who is described as a  
palmist, physician, engineer, machinist,  
and "globe trotter," Salvatore Sarcina  
and his wife, Marianna and Baptiste  
Massario.

## BODY OF MAN FOUND.

Supposed to Be That of Joseph Perry of  
Lowell.

Haverhill, Mass., April 26.—The body  
of a man, supposed to be Joseph Perry  
of Lowell, was found floating in the  
Merrimack river opposite the Island Golf  
club yesterday by William Brown, care-  
taker of the grounds.

After the body was removed to the  
morgue, Medical Examiner Croston  
found a pawn ticket in a pocket show-  
ing that the man had pawned a coat at  
Lawrence on April 21. He was appar-  
ently 40 years old, 5 feet 4 inches tall,  
brown hair, bald-headed, smooth shaven  
and wore a brown vest and trousers,  
light brown overcoat, white shirt, turn-  
down collar, red figured necktie and low  
cut shoes. A mileage book purchased  
at Manchester, N. H., in September, 1908,  
and a handkerchief marked "H. O." were  
also found in the pockets.

## RACE RIOT IN NEW YORK.

Irishmen and Italians Have a Destruc-  
tive Clash.

New York, April 26.—Fifty or more  
Irishmen and Italians came together in  
a race riot at Tenth avenue and 35th  
street last night and order was not re-  
stored until an Italian saloon and an  
Italian grocery store had been wrecked,  
30 combatants were clubbed by the po-  
lice, and 18 arrests made. The fighting  
lasted 45 minutes.

The trouble is said to have started in  
the grocery store over an argument be-  
tween two Irishmen and three Italians.

## D. A. R. CONGRESS IN TURMOIL.

Alleged Mistakes of Tellers Cause a  
Recount.

Washington, April 26.—The 18th con-  
gress of the Daughters of the American  
Revolution closed Saturday night after  
an exciting day. A suggestion, practi-  
cally amounting to a charge that the  
report of the tellers who counted the re-  
cent vote had undergone a change since  
it was signed, threw the congress into  
a state of confusion and opened up anew  
the contest of the insurgents and regu-  
lars over the officers.

The tellers Friday night informally  
announced that Mrs. L. B. Swomsted of  
the District of Columbia, the regular  
or administration candidate for corre-  
sponding secretary-general, had come  
within one vote of a majority and that  
therefore there was no election.

It was also stated that Miss Mary  
Wilcox of the District of Columbia, in-  
surgent candidate for recording secre-  
tary, had beaten her opponent, Mrs.  
Hodgkins, also of the District of Col-  
umbia, securing 453 votes, an exact ma-  
jority.

It was this latter vote that gave rise  
to most of the discussion, which hinged  
on whether or not scattering votes had  
been included in the grand total, the  
vote of Mrs. Hodgkins being 454.  
The situation was so intense that the  
tellers retired and recounted the vote. Mrs.  
Elroy Avery of Ohio, chairman of the  
tellers, reported that she had made an  
error by recording Mrs. Hodgkins 10  
more votes than she deserved. Miss Wil-  
cox was declared elected and balloting  
for a corresponding secretary-general be-  
gan.

SMALLPOX OUTBREAK  
CAUSES NO ALARM

Strict Attention is Being Paid-Lest The  
Disease Spread to The Atten-  
dants of The Roosevelt Party.

Nairobi, British East Africa, April 26.  
—Prof. Allen and Prof. Heller of the  
Smithsonian Institution, rejoined the  
Roosevelt hunting party today. George  
McMillan, at whose ranch the expedi-  
tion will stay a short time, will join  
the party at Pease's ranch on Wednes-  
day. No alarm is felt from the small-  
pox scare.

Two cases have developed among the  
porters at Kapiti. These have been  
quarantined and the strictest pre-  
cautions are being observed to prevent a  
spread of the disease among the  
attendants of the Roosevelt party. The  
danger of this is now considered slight.  
The police still maintain their measures  
for the protection of the Americans from  
annoyance. They will not permit any  
except those designated by Colonel  
Roosevelt to go with the expedition. It  
has now been definitely learned that  
none of Mr. Roosevelt's baggage is miss-  
ing and that nothing has been stolen.

## NEGRESS PASSED FOR A MAN.

Wore Male Attire for Eight Years and  
was a Public School Teacher.

Baltimore, April 26.—After masquer-  
ading in men's attire without detection  
since she was 16, Maude Allen, alias  
James Allen, 24 years of age, was  
arrested Saturday at the South-  
western station, charged with wearing  
men's clothes. For the last five years  
she has been a teacher at the colored  
public school at Brooklyn, Anne Arundel  
county, and recently she was transferred  
to one of the colored public schools in  
this city.

She was also an active worker in  
Ebenezer Baptist church and taught a  
Sunday school class. This was the only  
chance for her to mix with men, as she  
kept completely aloof from the negroes  
of the neighborhood in which she lived.  
A short time ago the woman was  
taken ill and entered the Maryland gen-  
eral hospital. She was placed in the  
men's ward. A physician discovered that  
the patient was not a man. He notified  
the police and Miss Allen was placed  
under arrest. She paid \$50 fine and costs  
and was given twenty-four hours in  
which to change to feminine apparel.

## SHIP PASSENGER MISSING.

Hon. Ronald E. M. Ramsey Left a Pe-  
culiar Note.

Plymouth, April 26.—Hon. Ronald E.  
M. Ramsey, brother of the Earl of  
Dalhousie, who was a passenger on  
the Hamburg-American steamer Cleve-  
land from New York, was missing when  
the vessel arrived here yesterday. Mr.  
Ramsey disappeared Saturday night. It  
is supposed that he fell or jumped over-  
board. A letter written by him was  
found in the cargo.

"Am feeling rather queer, but must  
write and say good bye to you. You  
looked after us as boys so well. I have  
not been able to get the bad thoughts  
out of my head lately. Well, so long,  
don't grieve much for me, as I am sure  
I shall be all right."

The Hon. Roland Ramsey, born in 1885  
was son of the thirteenth earl of Dal-  
housie. He was a lieutenant in the  
Scotts guards.

Ramsey's uncle, to whom the letter is  
addressed, is the Hon. Charles Maule  
Ramsey. Ronald Ramsey's mother was  
a famous beauty. She died suddenly on  
Nov. 24, 1887. The Earl of Dalhousie  
was travelling with her and was so  
overcome by shock that he died the  
following day.

## A FINE EXHIBITION.

Of Aeraplane Work Done By Wilbur  
Wright Today.

Rome, April 26.—Wilbur Wright gave  
an exhibition today, his aeroplane start-  
ing from the level ground and abandon-  
ing the use of starting rails. Manoeuv-  
ring the machine along the ground  
150 yards he shot into the air without  
difficulty. It was the first time the  
starting apparatus has been dispensed  
with on the continent.

## EXECUTED TODAY.

Pacy Hill Takes Penalty For Killing His  
Sweetheart.

Auburn, N. Y., April 26.—Pacy Hill  
was electrocuted today for killing Chole  
Hancock, his sweetheart, at the girl's  
home in Cubany on March 10, 1908.

## WAS LOCATED IN BOSTON

Working in Restaurant But When Police  
Went After Her She Had Vanished  
Again—Reward of \$5,000  
Offered.

Boston, April 26.—Adele Bos, the  
thirteen years old daughter of Arthur  
K. Bos, a wealthy New York thread  
manufacturer, and who strangely disap-  
peared last Friday, was found working  
in a restaurant in Charlestown. When  
the police came today she vanished  
again. There is a reward of \$5,000 of-  
fered by her father for the girl's recov-  
ery. No cause for her mysterious dis-  
appearance is known.

New York, April 26.—Five thousand  
dollars is now offered by Arthur E.  
Bos, a wealthy thread manufacturer,  
for information leading to the recovery  
of his 13-year-old daughter, Adele, who  
strangely disappeared last Friday. This  
is \$4,000 more than was at first offered,  
and was announced last night, as the  
mystery continued unsolved.

The theory of sudden mental aberration  
which, for a time, was seized upon  
to explain the girl's disappearance,  
has been abandoned by her parent, since  
a conference with Dr. August G. Seibert,  
the family physician, who declared that  
the child's health was of the best and  
that the supposition that she lost  
her mind is preposterous.

TRIAL IS RESUMED,

Chester Jordan Seemed to Have Been  
Strengthened By His Sunday Rest  
Doctors Were on The Stand  
Today.

Boston, April 26.—With Jesse Liver-  
more, the millionaire Wall street plun-  
ger, actively aiding him, Chester Jordan  
faced the sixth day of his murder trial,  
strengthened by his Sunday rest. Medical  
examiner Durrell was on the stand this  
morning and with Dr. Swan testified  
to the conditions of the wounds on  
Honora Jordan's body. Dr. Cunningham,  
who examined the motions of the body  
for the defense had not reported at noon.  
He may be given more time by Judge  
Stevens. Jeremiah Sullivan, Jordan's  
attorney, expects to open the defense  
on Wednesday. The state's cross-exami-  
nation of the state witnesses will de-  
velop a sensation. Twenty women  
were in the front seats of the court to-  
day.

## NOT QUALIFICATIONS ENOUGH.

To Be Allowed to Operate an Automobile  
—A. T. Henderson.

Burlington, April 26.—State's Attor-  
ney H. R. Shaw received from G. W.  
Bailey, secretary of state, his decision  
regarding the granting to Albert T. Hen-  
derson of a license to operate auto-  
mobiles and motor vehicles, the decision  
being unfavorable to Mr. Henderson.  
This case aroused much public interest,  
it being the first of the kind tried in the  
state. It was the outcome of an auto-  
mobile accident that occurred last fall  
on South Willard street, when A. J.  
Taylor was killed, being thrown from a  
car driven by Henderson.

The letter received by State's Attor-  
ney Shaw reads as follows:  
"In re application of Albert T. Hen-  
derson of Burlington, Vt., for operator's  
license to operate automobiles and motor  
vehicles:

"I have heard and considered the evi-  
dence presented by applicant, Albert T.  
Henderson, and State's Attorney Shaw  
of Chittenden county, and I fail to find  
that the applicant possesses the qualifi-  
cations of caution, and regard to the  
rights of other persons using public  
streets, such as my judgment compels  
me to require him to have to entitle him  
to a license for operating automobiles  
and motor vehicles in the state."

"I am thereby compelled to deny this  
license."  
"Dated Montpelier, Vt., this 24th day  
of April, 1909."  
"G. W. Bailey, secretary of state."

## CONCORD PAVING PRICES.

Negotiations as to New Bill by Granite  
Manufacturers and Men.

Concord, N. H., April 26.—Committees  
from the local Paving Cutters' union and  
the Granite Manufacturers' association  
were in conference Saturday upon the  
new bill of prices, the present bill ex-  
piring May 1.

The rate is from \$17 to \$22 a  
thousand and the men ask for an in-  
crease to from \$17.50 to \$23. They wish  
the bill to be fixed for one year while  
the manufacturers would like to have  
it for two years so that it will expire  
at the same time with the agreements  
as to other work.

No decision was reached in the mat-  
ter, but the conference will be continued  
this week.

## AUTOISTS RACE WITH CAR.

Were Struck on a Crossing and Seriously  
Injured.

Syracuse, N. Y., April 26.—In a race  
in an automobile to a crossing near Man-  
lius yesterday afternoon, Albert Breish  
and Irving B. Williams of this city  
were hurled 60 feet by an Onondaga rail-  
road third rail car and the machine  
was smashed into fragments. Both of  
Breish's legs were fractured and Wil-  
liams got a fracture of one leg. They  
will recover.

## SOAKED THE STUDENTS.

Burlington Firemen Squelched Some of  
Their Enthusiasm.

Burlington, April 26.—Vernon's base  
ball victory over Amherst at Amherst  
on Saturday aroused the local students  
to a great pitch of enthusiasm. Short-  
ly after the glad tidings had been wafted  
to the hill a parade of over 150 strong  
was formed, including a part of the col-  
lege band. To the tune of stirring  
marches and sharp yips the parade  
marched down Pearl street and down  
Church street, stopping at the various  
street corners to emit pent-up whoops.  
The march was then continued up Main  
street to the corner of South Windoski  
avenue, where a pile of boxes, tree  
stumps and other combustible material  
appeared as though by magic. The pile  
was lighted and then ensued a real, old  
fashioned bonfire, it being so big and  
bright that the prisoners in the jail  
were all aroused from their slumbers.  
As the flames licked their way upwards  
a electric light pole caught fire and  
Mayor J. E. Burke mounted a box and  
asked the boys to be more careful, as  
there was danger to the adjoining  
buildings. The firemen from station one  
were then summoned and they attached  
a hose to the corner hydrant and took  
a shot at the burning pole and bonfire.  
It was hard to tell which received the  
most water, the students, or the two  
fires. As the last ember of the huge fire  
faded out the strenuous chants of the  
students could be heard singing, "How  
wet I am." Several hundred people  
gathered about the fire while the ex-  
citement was tense and many of them  
received a dousing.

WOMAN KILLED  
IN AUTO SMASH

Mrs. Mathewson Was Thrown on Her  
Head—Post, Fence, Pole, Tree  
and Stone Pile Hit by  
Car.

Warren, Mass., April 26.—Mrs. Flor-  
ence Mathewson of Springfield was in-  
stantly killed last night when an auto-  
mobile in which a party of four persons  
had come from Boston became unman-  
ageable. With Mrs. Mathewson was her  
husband, Ralph E., and Mr. and Mrs. H.  
R. Wright of 10 Temple street, Spring-  
field. None of the other occupants were  
at all injured. Mr. Wright was driving  
the machine, which is owned by Mr.  
Mathewson.

The automobile was proceeding at a  
fair rate of speed, it is understood, when  
it skidded and hit a fence post. Then  
began a series of serpentine cavortings,  
the intermediate markings of which were  
successively a fence, an electric light  
pole, a tree and finally a pile of stone.  
The latter stages were covered on two  
wheels. When the car hit the stone  
pile, Mrs. Mathewson was thrown on her  
head and instantly killed.

The car's contact with the electric  
light post resulted in a short circuit, the  
Warren last night, the entire electric  
lighting system becoming disarranged.

## GIRL MAY DIE.

Miss Ethel Steen Shot By Griffith  
Jones.

Monson, Me., April 26.—Griffith Jones  
35 years old, is under arrest for the  
shooting of Miss Ethel Steen, aged 18.  
Miss Steen lies in a critical condition at  
the boarding house of Mrs. Emma Doug-  
las, where the tragedy occurred, at 1  
o'clock Sunday morning.

The girl will be taken to the Eastern  
Maine general hospital at Bangor and  
Jones to Dover, where he will be lodged  
in the county jail to await the outcome  
of Miss Steen's injuries.

Miss Steen and Fritz Paulson, aged  
25, were in the parlor at the boarding  
house when Jones, who it is alleged, was  
looking for a woman, came down stairs  
and entered the parlor. The couple were  
seated on a sofa opposite the door through  
which Jones entered the room.

In his hand, Jones carried a 38 calibre  
revolver and when Paulson saw the  
weapon he realized that the man meant  
trouble. The men grappled and during  
the scuffle the revolver was discharged,  
the bullet entering Miss Steen's right  
hip and lodging in her abdomen.

Deputy Sheriff John R. Flint was  
summoned and placed Jones under arrest.  
He was taken to the lockup, where he  
remained Saturday night and Sunday.  
The physician who attended Miss Steen  
stated last night that he did not expect  
the girl would recover.

Jones, the man under arrest, is a  
Welshman and has a mother living in  
Poultney, Vt. He is a plasterer.

## INJUNCTION DISSOLVED.

Miss Katherine G. Dunlevy of Brattle-  
boro Wins Point.

Brattleboro, April 26.—Miss Katherine  
G. Dunlevy won an important point in  
an order received yesterday from Chan-  
cellor W. W. Miles of Barton, in her  
breach of promise suit against Edward  
J. Fenton for \$15,000.

Some time ago Miss Dunlevy was en-  
joined from proceeding with her suit  
until she had made disclosure relative  
to some letters which Mr. Fenton al-  
leged were taken from a desk in his  
store. A hearing was held a week ago  
on her petition to have the injunction  
dissolved. The order from Chancellor  
Miles dissolves the injunction.

No restriction is placed on Miss Dun-  
levy in the chancellor's order, and she  
is to use of any letters in the trial  
of the case.

## RAILROAD SERVICE ENDS.

Longtime Employee on Canadian Pacific  
Retired on Pension.

Richford, April 26.—Thomas Williams  
of Farnham, Quebec, who has been su-  
perintendent of the eastern division of  
the Canadian Pacific railroad from Farn-  
ham to Newport, has resigned, and he  
will be succeeded by W. H. Cronk of  
the Smith Falls division. For the pre-  
sential railway third rail car and the machine  
was smashed into fragments. Both of  
Breish's legs were fractured and Wil-  
liams got a fracture of one leg. They  
will recover.

## MANDAMUS PROCEDURE

The Tuttle Co. of Rutland Had Failed  
to Get Redress from the Legisla-  
ture on Bill for State  
Printing.

Rutland, April 26.—The Tuttle Co.,  
which recently began mandamus pro-  
ceedings against State Auditor H. F.  
Graham to compel him to pay them their  
claim of \$833 for printing done in 1906,  
have withdrawn their case from supreme  
court, and litigation over the bill is en-  
ded. The Tuttle Co. will receive nothing.

For three days last week the state  
auditor was taking depositions for his  
side of the case at Montpelier, and these  
were to be continued at Rutland this  
week, but the action of the Tuttle Co.  
to-day ends proceedings.

Much time of the last legislature was  
taken up with this bill and similar ones  
for the Free Press and the St. Albans  
Messenger Co. The two latter finally ac-  
cepted the amounts the printing commis-  
sioner said they were entitled to, but  
the Tuttle Co. would not and brought  
proceedings in the supreme court, which  
are now ended.

## WOMAN BLOWN UNDER WAGON.

Injuries Cause Death of Mrs.  
Mason.

Pittsfield, Mass., April 26.—Mrs. Mar-  
tha Mason of 551 Fenn street, 33 years  
old, died at the House of Mercy hospital  
yesterday as the result of injuries sus-  
tained on North street Saturday after-  
noon when she was picked up by the  
wind and blown between the wheels of  
the heavy American house bus driven by  
Samuel McCambridge.

She sustained a fracture at the base  
of the skull, a broken jaw and leg. She  
never regained consciousness. There  
were no passengers in the bus and Mc-  
Cambridge says he did not see Mrs.  
Mason until after the rear wheel had  
run over her. McCambridge was on the  
right side of the street. A police investi-  
gation is being made.

Mrs. Mason was the widow of Mak-  
shew Mason, a Pittsfield manufacturer.  
She leaves a brother, Price Jones of  
Rockford, Ill., and two nephews, Thomas  
L. and Fred Jones of Pittsfield.

Last February Thomas A. Oman, also  
32 years old, met with a similar acci-  
dent on North street to that of Mrs.  
Mason and died five weeks later.

## UPRISINGS CONTINUE.

French Cruiser Has Arrived at Latakia  
to Protect the Christians.

Latakia, Asiatic Turkey, April 26.—  
The French cruiser Jules Ferry arrived  
to-day and landed sailors to protect the  
Christians from the Moslems. The situa-  
tion in Asiatic Turkey is worse and  
orders will be issued to every foreign  
vessel and men if the rioting continues.  
No word comes from Dourzul, the Ar-  
menian coast village, which is threatened  
by a horde of Kurds. Turkish  
troops have gone to relieve Hadjin, near  
Adana, where are a number of mission-  
aries, including Miss Lambert and four  
other American women. Reports of the  
massacre in the interior rise the total  
to 40,000. As soon as the conditions  
in Constantinople permit, an army will  
be sent to quell the riots in Asia Mi-  
nor.

## TRYING TO GET OUT.

Inmate of State Insane Asylum to Bring  
Habeas Corpus Case.

John McQuirk of Rutland, at present  
an inmate of the state insane asylum  
at Waterbury, will within a few days  
bring habeas corpus proceedings before  
the probate court of Washington county  
under a new law which allows an appeal  
from the findings of the physicians and  
the committing judge. Dr. C. S. Caverly  
of the state board of health was one of  
the physicians who examined McQuirk  
for commitment to the asylum after the  
men had been confined in the house of  
correction. McQuirk elected to have his  
habeas corpus case heard before the  
Washington county probate court, the  
county in which the asylum is located.

Philadelphia.

Washington, D. C., April 26.—Presi-  
dent Taft goes tomorrow to attend the  
annual Union League "Grant birthday  
dinner" in Philadelphia. He will leave

Were Chosen Out of 23 Talcummen in The  
Hains Trial.

Fishing, L. I., April 26.—Twenty-  
three talemnen were examined at this  
morning's session of the Capt. Haine  
trial without result. Only seven jur-  
men have been chosen as yet.

A meeting of lecturers of the granges  
of Rutland, Addison and Bennington  
counties was held at the Berwick hotel,  
Rutland, Wednesday, to create a spirit  
to do more toward improvement in ag-  
ricultural interests in the state through  
the grange.

## DIED IN BURLINGTON.

Mrs. Lillian (Fisher) Griffin, Who For-  
merly Resided in Barre.

Word has been received of the death  
in Burlington of Mrs. Lillian R. Griffin,  
wife of William Griffin, formerly of this  
city. Mrs. Griffin had not been in the  
best of health for some time.

She was born in Northfield 37 years  
ago, being the daughter of Mr. and Mrs.  
Theodore Fisher, who now reside in  
Montpelier. She spent her early life in  
Northfield and subsequently lived in  
Montpelier, being married to Mr. Griffin
